7th January 2014

Dear Parents

We are changing the way we sell/offer school uniform in school and with immediate effect Brigade Clothing, our uniform supplier, will be offering an online service to supply uniform direct to yourselves.

Please see the attached leaflet which details everything you need to know about ordering.

When you go onto the website you will see that we are no longer offering red cardigans, but have included a grey alternative to match our sweatshirt colour and design. We wish to create a clear school identity and to this end with effect from September 2015 red cardigans and jumpers will no longer be part of our school uniform. Children will be required to wear the grey sweatshirt/cardigan with the school logo.

Mrs Flinders still has a stock of uniform in the office but once this has sold we would ask that you use the online service.

For children in Yellow Class we do have some red cardigans in the smaller sizes (24" and 26") which we are selling off at the bargain price of £6.00 (half price) .Please call into the office if you are interested in these.

Yours sincerely

Russell Leigh
Headteacher
