Dear Parents,

School Uniform

Further to my letters regarding uniform sent out since January, I thank you for the feedback that I have received. Therefore, I thought it would be important to explain the reasons for the changes and then some alterations that we are planning to make for September.

As I indicated in January, we wish to create a clear school identity and pride across the school with our uniform; this will present a clear image when we go to activities and trips outside of school. This is the primary reason for having one colour of sweatshirt/cardigan with the school logo on it.

In removing red as one of the colours, we are aiming to present the school uniquely in the local area: however, we appreciate that this involves losing a popular colour, and therefore, taking on board parent feedback to the proposed changes, we are making the following amendments

- 1) Polo shirts can be either red or white
- 2) Girls' tights can be either red or grey.

Yours sincerely

Russell Leigh
