

Squirrels Spring Term.

PE. On Mondays we will focus on dance while on Fridays it will be games.

English This term we are going to be looking at some different texts by Roald Dahl. We will focus on comprehension, grammar, writing our own extracts and building up our writing skills. Our Big Write will be about fantasy.

Maths This term we will continue to focus on developing addition and subtraction strategies.

We will continue to build upon our counting in 2's, 5's and 10's as well as applying our mathematical knowledge to problem solving.

We have planned to use graphs and presenting data in different ways.

ICT

We will be making comic strips and developing our ICT skills.

Science

Our focus this term is Materials. We will be working scientifically performing simple tests and recording data. We will learn about everyday materials, their properties and uses. There will be lots of 'hands on' experiences.

Super Heroes

RE.

Our theme is how should we care for our world? We will explore religious views of creation and ecology with particular focus on Christianity and Judaism.

Art and Design/ Design Technology

Our Super Hero theme will form the basis of our art focusing on Pop Art from Roy Lichtenstein, collage work and designing a Super Hero vehicle.

PHSE

Our focus is setting and going for goals. Class discussions and sharing ideas will help us to do this.

Phonics

All children will participate in daily phonics to build upon their phonic knowledge as well as practising our tricky words. We will also be having a weekly spellings focus.

Topic and Music

This term our focus is on Art and super hero music. We will listen and discuss different musical themes. Next term we will focus on people who have been heroes in History.
