Headteacher's Thoughts

On Tuesday, we held our annual Music and Drama evening, where we were extremely impressed by the amazing talents within our school. This evening gives our performers such a valuable experience to perform in front of an audience, whether just starting to explore their talents or those who have been practising for a while. I was so proud of the children and their enthusiasm. A big thank you to Caroline Seed (Drama), Jill Lloyd (Violin teacher) who were able to come and support their students, also Ian Fawcett (Flute teacher) and the other music teachers working with the children to achieve such wonderful results.

As a school, we are always thinking about keeping the children safe on the internet and with this in mind, the National Online Safety have asked that the attached parent guide (emailed version) is shared with parents regarding the popular computer based game – Fortnite. If you would like a printed version, please let us know.

Thinking ahead to next half term, there are some exciting events coming up – please check the diary below for dates to the end of June – we are especially looking forward to the Cadbury's World trip.

I hope you have a good break next week and the weather is kind to us. I look forward to seeing you next half term on Tuesday 5th June – with an added reminder to Owl class cyclists that the next session for cycling proficiency will be on that day!

Mr. Leigh

Our Christian Value for this half term is:

Friendship

Throughout our assemblies we will be looking at all aspects of friendship and how we should help friends through good and bad times.

We will learn how to trust our friends and how Christians trust God. We will think about how friendships develop and how true friendship lasts forever.

*"A friend loves at all times."
Proverbs 17:17*
