Headteacher's Thoughts

It certainly was an exciting start to the week as the school headed off to Cadbury World, a great visit to supplement our Big Write theme of Chocolate. Everyone had a wonderful time and I was very proud to hear that they were good ambassadors for the school. Thank you to the staff for organizing the trip and to all the other helpers who gave up their day to join our adventures.

The Year 6 children then headed off to St Birinus, Didcot on Tuesday for the annual Moon Buggy Challenge, where once again we won the best Moon buggy design – we do have to keep raising our game each year. Well done to the Year 6 for the time they put in to their designs and the dedication to make the finished product.

Last night, was another annual event, the Festival of Voices in the Abbey, the choir and I joined several other schools to sing a variety of songs linked to the theme of the sea. Well done to our 12 singers for learning the music so quickly and for their conduct throughout the practice and performance.

You would have received a letter this week about our Sports Afternoon next Friday – the letter indicated the key times and there was a slip at the bottom of the letter that needs to be returned to school by Thursday next week indicating arrangements for the collection of the children at the end of the afternoon. Please ensure that is returned as soon as possible. I look forward to seeing you there next week.

Mr. Leigh

Our Christian Value for this half term is:

Respect

During collective worship, we will be learning about **respect for people** because you admire something about them, **respect for other people's feelings**, wishes and rights as well as **respect for the environment**. We will learn that we can't expect to be respected unless we show respect.

'So whatever you wish that others would do to you, do also to them'
Matthew 7:12
